

# VACANCY

Fouriesburg Area, Free State

## **DIESEL MECHANIC - FARM EQUIPMENT**

### **Key Responsibilities:**

- Service, diagnose, and repair diesel-powered farm equipment (tractors, trucks, pumps, and machinery)
- Perform routine maintenance, inspections, and preventative servicing
- Troubleshoot mechanical, electrical, and hydraulic issues
- Maintain accurate service and repair records
- Respond to breakdowns promptly to minimize downtime
- Ensure all equipment is operating safely and efficiently
- Manage tools, spares, and workshop cleanliness

### **Requirements:**

- Proven experience as a diesel mechanic (preferably in an agricultural/farm environment)
- Red Seal Diesel Mechanic who has passed the trade test
- Strong knowledge of diesel engines, hydraulics, and mechanical systems
- Ability to diagnose faults and perform repairs independently
- Experience with farm machinery and equipment
- Strong problem-solving skills and attention to detail
- Physically fit and able to work in a hands-on environment
- Valid driver's license

**Stable, full-time position available on a working farm.  
A work vehicle and housing will be provided.**

*Competitive salary (experience-related)*
